

A modern outdoor living space featuring a large sofa, armchairs, and coffee tables under a tree. The furniture is made of light-colored wood and wicker, with light blue and green cushions. A tall, thin metal lamp stands to the left of the sofa. The background is a textured, light-colored wall with a large tree in front of it. The ground is paved with light-colored tiles.

RATTAN HOUSE
OUTDOOR LIVING

ESTD 1982

A message from the CEO

As we step into a new decade for Rattan House, we continue the journey that started over twenty years ago, creating outdoor spaces people fall in love with.

At Rattan House, our focus goes beyond products; it's about shaping experiences and setting new standards for comfort and creativity. Our commitment remains unwavering: to lead with integrity, deliver with purpose, and inspire a lifestyle where quality and authenticity define every detail. Rattan House has never been just about furniture, it's about feeling at home outdoors. Every collection is inspired by the way people live, relax, entertain, and connect. From private homes to hotels, resorts, and restaurants, we pride ourselves on delivering tailored solutions that elevate the hospitality experience, combining durability, style, and comfort for every guest.

And now, with fresh energy and bold vision, we are ready for what's next.

“When you love what you do, the results speak for themselves; passion builds extraordinary things.”

Ihab Al Sheikh

SAHARA

Sahara Collection, a stunning fusion of nature's beauty and contemporary design. Drawing inspiration from the mesmerising Sahara Desert, this collection encapsulates the essence of vast dunes and boundless horizons. Crafted with meticulous attention to detail, each piece evokes the desert's tranquility and timeless allure. The designers behind this remarkable collection recognised the significance of comfortable and stylish outdoor furniture in creating memorable moments with friends and family. The desire to replicate the warmth and comfort of Middle Eastern hospitality in outdoor settings led to the creation of Sahara.
